“ It’s about one thing - bringing children and parents together to talk openly and honestly about the dangers of drugs”

DID YOU KNOW?

- 1 out of 5 - fifth graders have been drunk
- Prescription painkillers are the new gateway drug to heroin among 12 to 17 year-olds
- Prescription drugs are the 2nd most commonly used drugs today, behind marijuana
- Kids reduce drug use 65% if middle school prevention programs are in place
- Kids who learn a lot about the risks of alcohol and other drugs from their parents are up to 50% less likely to use

Students listening to the Courage to Speak® Presentation. The program has taught the dangers of drugs to many children.
